To whom it may concern:

Amie Comeau has our approval and recommendation as a Trainer Candidate for RTE Spokane, September 2010, for Pilates Trainer.

She is a quality instructor, team player, responsible with her own certification requirements and continuing education, and interested now as well as has the aptitude for training others.

She believes in the mission of the Y and supports the relationship building that is taking place in unprecedented measure here in the Inland Northwest Y's.

We support her Trainer Candidacy.

Sincerely,
